Remote Visual Inspection (RVI)

Polaris

PTZx Inspection Camera System

Pine Item # 55510

DESCRIPTION:

Portable inspection system loaded with features to inspect tanks, vessels, drums, and other large confined spaces and piping. State-of-the-art white LED lighting provides over 1000 lumens of light along with add-on auxiliary lighting brightens the darkest of environments. Coupled with a low-lux, high-resolution CCD imager, zoom optics, continuous pan rotation and 270 ° of tilt, this sub-4" camera provides excellent quality images with which well-informed decisions can be made.

FEATURES:

- Super-bright white LED lighting
- High-beam auxiliary spotlights
- High-resolution low-lux color CCD imager
- Intuitive joystick control with on-screen graphics
- Continuous pan rotation with no limits
- Flexi-base for straight or right angle cable connection
- Lightweight cable drum with integral controller
- Pressurize-able and purge-able

APPLICATIONS:

- Nuclear
- Fossil
- Hydro
- Pharmaceutical
- Chemical
- Food
