

YSI

YSI Pro Plus Quatro MPS

Pine Item #61301

DESCRIPTION:

The Quatro cable attached to the Pro Plus allows you to utilize 4-ports to measure temperature/conductivity, DO, and any two ISEs among pH, ORP, ammonium, chloride, or nitrate creating an extremely powerful handheld multiparameter instrument. Interested in a Pro Series Product? Check out the trade in program currently going on (U.S. only).

TOUGHEST

The Pro Plus instrument meets the demands of true field work. The instrument is rated to IP-67 standards even without the battery cover on. Tough, Field Durability **Features Include:**
