Ben's®

30 Tick & Insect Repellent 6 oz. Eco-Spray

Pine Item #80483

Unit: Each, 6 oz.

DESCRIPTION:

Ben's 30 6 oz. Tick & Insect Repellent Eco-Spray is recommended by [Consumer Reports!](#)

Ben's 30 Tick & Insect Repellent is your ultimate protector from biting insects, providing hours of lasting protection for the whole family. This 30% DEET bug spray is proven to repel disease-carrying insects, including ticks and mosquitoes that may carry Lyme disease, Zika virus, West Nile virus, and dengue fever. Ben's 30 also repels chiggers, biting flies, and no-see-ums, so that you can enjoy the outdoors bite-free. The Eco-Spray® bottle sprays at any angle and releases a fine, continuous mist for consistent coverage in just seconds.

FEATURES:

- CDC-recommended active ingredient.
- Easy-to-apply continuous spray.
- Hours of lasting protection.
- A locking cap prevents messy accidents.
- Water-Based Formula. Apply Ben's 30 without the stinging or drying effect of alcohol. Unlike alcohol-based repellents, this DEET spray is made with water, so less repellent evaporates off your skin.

APPLICATIONS:

- Protection from Disease-Carrying Insects. Explore outdoors knowing you're protected. Ben's 30 repels ticks and mosquitoes that may carry Lyme disease, Zika virus, dengue fever, and West Nile virus.
- Ideal for hiking, trail running, camping, and hunting.
