

### Pine Environmental

## Soil Augers

Pine Item #90193

### DESCRIPTION:

Pine offers a large variety of augers for your soil needs. These are commonly used for obtaining soil samples at or near the surface, and for boring to depths where samples may be obtained with a soil sampler or soil core sampler. We stock all the auger styles, diameters, and connection styles you need (standard, sand, clay/mud, quick connect, threaded, and pin connect).

### APPLICATIONS:

- Agricultural
- Environmental Investigation
- Geotechnical
- Remediation
- Ground Water Monitoring
- Golf and Turf
