## Corporate Function Information Package

---

Corporate functions come in a variety of forms, whether it be an incentive trip to reward employees, a group ‘reconnection’ event, a reward for employees or a strategic offsite management meeting to encourage that “outside of the box” thinking.

Regardless of the reason, you ultimately want to achieve the following:

- Increase the effectiveness and productivity of your meetings
- Encourage participant networking
- Increase communication and session engagement

Our 12 individually designed beach huts, Village Hall and surrounds is a multiple award-winning venue located one hour south of Adelaide (81km) on the beautiful Fleurieu Peninsula.

- Our Village Hall is the perfect boutique venue for small groups of up to 16 people who require something more enticing than the traditional office environment.
- In summer, the hall can open onto the Village Green to create the ‘outdoors in’ atmosphere.
- During the winter months, the combustion fire burning in the background creates something entirely different.
- Showcase the tranquillity of our unspoilt Coorong, to your interstate/international guests.
- Free onsite parking.

At Beach Huts Middleton, we offer a ‘one stop shop’ with regards to your requirements, that way you can focus on what you want to achieve as a group

## Accommodation

---

After a productive day in the Village Hall, you can wander back to your self-contained hut and contemplate which of the many restaurants or takeaways you might like to consider for dinner.

The Fleurieu Peninsula has many to choose from, including our onsite Blues Restaurant from Wednesday to Saturday.

Each hut comes complete with linen, tea and coffee provisions and a complimentary bottle of bubbly.

## Some Things to Consider

---

- The best scenario is to book all 12 huts, this allows you to have full access to all facilities without restriction. It also takes away the need for consideration of independent guests staying in the huts.
- A minimum of 6 huts must be booked to be eligible for our corporate packages.
- Where all huts are not booked, management will discuss any restrictions (if any) prior to your function.
- To secure all huts, a 50% deposit is required on booking or at a time agreed upon by both parties before the event.
- A two-night minimum stay is required over a weekend, single night stays are valid from Sunday to Thursday.
- Local catering packages are available.
