

HENLEY

Henley was the last hut built on site & we really wanted it to have a 'beachy vibe'. It is the Beach Huts Middleton after all! We decided to make Henley with families in mind. Having children, we knew it could be a challenge to find suitable accommodation which catered for both. It needed a secure back yard & BBQ, a bigger kitchen & a place for everyone to comfortably sit & eat.

You can't help but feel you're close to the beach when you step inside Henley. It is such a bright, happy space with lots of red, white & blues.

Henley is probably the hut which has had the least amount of change. The furnishings are much lighter now & the garden has grown, other than that, we haven't felt the need to change Henley too much. "Ahoy there"
