

## MOOLOOLABA

*Mooloolaba is a crowd favourite and yes, it is named after the coastal Sunshine Coast town in Queensland. Mooloolaba was created with the idea of keeping romance alive & relationships kindled. 😊 It has seen many scattered rose petals, candlelit spa baths & even a few 'Marry Me' signs!*

*Over the years we have simply lightened & brightened the interior & changed the décor. Mooloolaba is quite simply.....charming.*
