

Beach Huts Middleton Winter Specials

It's getting closer to that time of year where the leaves fall, the days become shorter & in our current dry state – hopefully some much needed rainfall.

It also means romantic getaways, open fires and a time to enjoy the Fleurieu in a new light without the manic pace of summer.

Stay warm and relaxed in your beach hut or wander over to the Village Hall where the fire will be burning, and the wood piled high.

Take advantage of our **“Super Winter Deals”** which you will find on our website

Simply select the **“Book Now”** button to see availability & savings.
