QUALITY MANAGER

3rd-Party lab tests provided by Medicine Creek Analytics. Testing is conducted in an ISO 17025-certified lab facility. Testing methods and parameter limits used are certified by the Washington State Liquor and Cannabis Board (WSLCB). Test results and this corresponding quality assurance report has been reviewed by Wildflower's Quality Manager. This product contains less than 0.03% THC and passed safety tests for microbiological contamination, mycotoxins, and residual solvents.
