SafeTrac industrial floor tape is a highly durable floor marking system which allows for the fast application of brightly colored visual aids in a variety of stock and custom colors. Safetrac utilizes a poly release liner to aid in the fast, trouble-free application of the material.

BENEFITS:

- Superior durability compared to other floor tapes.
- Faster and easier to apply than any paint system.
- Faster and easier to remove and reapply as needs change.
- Ready for immediate use as soon as it's in place.

Available C

GRIP TAPE

Grip tape has a rugged, durable texture that creates a Slip-resistant surface, while also making adhesion difficult with the uneven surface area.

- All colors/styles available in 60, 36 and 30 grit.
- All rolls are 60' in length with adjustable width
- Available widths: 1" - 46"
