

CERTIFICATE OF RECYCLABILITY

ETS A.DESCHAMPS ET FILS, SAS, as ISO 9001, ISO 14 001 and OHSAS 18001 certified manufacturer, of the DESCHAMPS' Mobi-mat® RecPath™ matting, type LCN, AFX and A2X used for creating beach access pathways,

guarantee that the DESCHAMPS' Mobi-mat® mattings comply with the ISO 14001 standard for their application in coastal environment.

They are made up of:

- 100% PET woven monofilament structure,
- 100% HDPE connectors,
- 100% stainless steel eyelets,
- 100% aluminum rivets,

and wrapped in a 100% recyclable cardboard.

The 100% PET woven monofilament structure is 100% recyclable,
The 100% HDPE connectors are 100% recyclable,
The stainless steel and aluminum accessories used for the manufacture of DESCHAMPS' Mobi-mat® RecPath™ matting, type AFX, LCN and A2X are 100% recyclable virgin products.

These components do not interact with the environment what makes them suitable for coastal environment and are 100% recyclable without harming the environment where the recycling activity takes place.
