fool's paradise

hand grenade

dancing queen

It's fruity and tart but not sweet with hints of peppers and fire. It's a savory, fruity hot sauce that has the richness of umami from fermented chilies. It's a great fruity replacement for Huy Fong Sriracha.

Pairings: Brie cheese. Savory waffles. Duck + wild game animals. Sweet potatoes. Make an aioli.

Ingredients: roasted red pepper, water, strawberry, blueberry, blackberry, chile arbol, white vinegar, garlic, salt

It's savory and fresh with all the flavor of roasted Colorado grown jalapeno and hatch green chilies combined with onions and garlic and fresh lime juice. It's an all-purpose green hot sauce, and Merfs' most popular product.

Pairings: Breakfast. Green chili. Seafood. Guacamole. Use as salsa. Tacos + burritos.

Ingredients: roasted jalapenos, white vinegar, onion, lime juice, garlic, salt

It's feisty, smoky, and deliciously fiery with a little sweetness from the roasted red bell peppers and fresh mango. Even though it contains ghost pepper, this sauce is not nuclear.

Pairings: Fire up hummus. Curry. Add a kick to soup. Marinate Tofu. Chicken Wings. Pork Tenderloin.

Ingredients: water, mango, roasted red pepper, white vinegar, garlic, salt, orange juice, ghost chili, monkfruit sweetener

A deeply fiery, richly umami, palette-pleasing sriracha. It's pineapple sweetened, instead of sugar, which lends a slightly sweet citrus finish. It's Merfs' classic red hot sauce, and a great alternative to the traditional sriracha.

Pairings: Burgers. Ramen. Pasta. Bloody Mary's and Micheladas. Chicken marinade.

Ingredients: roasted red pepper, pineapple, water, chile arbol, pineapple juice, garlic, white vinegar, salt

This is Merfs' OG chipotle hot sauce - made different than any other you'll find. It's peppery and tangy with a finish of sweet chipotle fire. Double smoked meco chilies make this a rich and intense flavor bomb!

Pairings: Pork marinade. Breakfast. Chili seasoning. Barbecue. Chipotle Ranch. Pizza.

Ingredients: apple cider vinegar, roasted red pepper, onion, garlic, monkfruit sweetener, guajillo chili, chipotle meco, salt, ghost chili
