CAPABILITIES STATEMENT

ABOUT

Chase Street Accessories & Engraving offers custom awards, branded promotional products, and personalized gifts. Our state-of-the-art customization services unite in-house production with an international network of socially-conscious suppliers and vendors. From our showroom and workshop in Baltimore City, Chase Street A&E provides signage, badges, branded awards, promotional gifts, and made-to-order keepsakes for retirements and other milestones.

Mission statement: To express appreciation, strengthen communities, and celebrate life events through our design expertise and tailored, responsive production.

PAST PERFORMANCE/CLIENTS

- **Visit Baltimore** – 8,000 branded masks to enable local businesses to re-open safely during pandemic
- **MD State Dental Association** – glass annual sponsorship awards for Charitable and Education Foundation
- **Chase Brexton Health Care** – employee fleeces with embroidered logo, made to order
- **Johns Hopkins University Center for Social Concern** – 500 branded tumblers shipped to socially-distanced members
- **Heartland Foods Inc.** – Weekly shipment of over 1000 personalized cutting boards to premium-level customers
- **Baltimore City Chamber of Commerce** – Full-color metal plaques on piano-finish wood to recognize supporters

CORE COMPETENCIES

Custom awards

We'll help select the plaque, sculpture, trophy, paperweight, or any other type of award that best fits your organization and engrave the layout with your logo and/or text.

Branded promotional products

Tangible product imprinted with a name, logo, or message. If you can see it and touch it, we can decorate for brand awareness

Personalized gifts

Retirement gifts, work anniversary keepsakes, on-boarding presents, etc. A personalized gift has much greater impact than anything you can buy off the shelf.

Creative services

Design, artwork, and layout services. Files can be used for decoration of an order or be provided as high-resolution files.
