

Learning FUN! Activity

A classroom of busy students requires a watchful eye. Help keep the days running smoothly with Passport Hall Passes. Each labeled with a place in the school, a round-the-neck sign alerts other teachers and students of the child's destination.

Passport Hall Passes

You'll Need:

T10980 Passports Classic Accents® Variety Pack
Hole punch, a marker, and thick yarn or cord.

Directions:

Using a marker, write locations in the school that students frequent on the Passports Classic Accents®. Punch two holes with the hole punch at the top of each passport, and string thick yarn or cord through them. Tie a knot at each end to create a loop that students can hang around their necks.
