

Learning **FUN!** Activity

Keep children engaged, learning,
and growing throughout the year!

Dream BIG Bucket

Teacher-Directed Activity

Decorate a bucket and encourage kids to fill it with things they dream of doing someday or their goals for the school year.

You'll Need:

- T69948 Sea Buddies™ Desk Toppers®
Name Plates Variety Pack
 - T68083 Sea Buddies™ Terrific Labels™
 - T46333 Sea Buddies™ superShapes Stickers – Large
- A bucket and markers

Directions:

- As a class, discuss goals and dreams. Encourage students to think about a school year goal, such as getting a good report card, and a someday goal like becoming a doctor.

- Write “Dream BIG Bucket” on a label and attach to the bucket. Let students add their own special touches to the bucket with stickers.
- Invite kids to write their goals and dreams on name plates, then place them in the bucket.
- Students can add to the bucket throughout the school year.
- Celebrate their achievements by displaying the name plates for all to see. Discuss as a class what was needed to realize them.

Make It Your Own:

Ask each child to bring in a pail they can decorate and use as a dream bucket. Have them write down all they'd like to accomplish, what books they'd like to read, places they'd like to visit, and other personal goals.
