Activity

Spotlight and celebrate your unique self!

All About Me.
by Clara

I love to read!
My favorite book is
Junie B. Jones and the
Mushy Gushy Valentine.

My favorite memory is
going to the zoo with
my family and my best
friend Sammie.

My friends and I like
to go to fun places like
the park and ride our
bikes together.

All About Me.
by Justin

Something I wish
people knew about me
is I like to talk about
my pet lizard.

This year I hope I will
get a new terrarium
that has a black light
and glowing rocks in it.

I would like to visit
Australia someday
because they have a
lot of cool animals.

Teacher-Directed Activity

Here's a whimsical way to keep first-day-of-school butterflies at bay!

You'll Need:

T10618 BlockStars!® Classic Accents® Variety Pack
Scissors, card stock, pencils, and double-sided tape

Directions:

Whether you just earned your goggles in swimming class or have an amazing pet fish, you're special. So show off your unique self with this fun getting-to-know-you activity!

- **Hint:** To prepare for the activity, precut card stock into 12" strips, one for every student. Place strips and accents in a central location.
- Accordion-fold the strip into 4 equal panels to make the body.
- On the top panel, write "All About Me" and your name. Then add fun facts about yourself to the three remaining panels.
- Tape an accent top and bottom to the strip.
- What a creative way to learn about your classmates, celebrate differences, and make new friends!

Make It Your Own:

Put the focus on family! Write about an important adult in your life and what makes that person special.
