

# Learning FUN!

## Activity

Inspire creative expression!

### Starring BlockStars!®

**Teacher-Directed Activity**  
*It's showtime! Build a stage with playful puppets ... powered by imagination!*

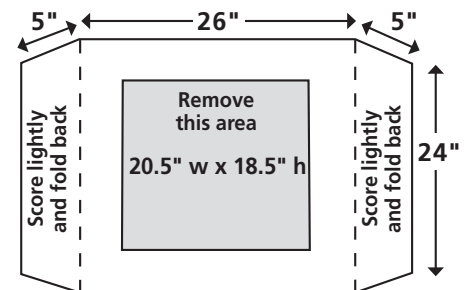

#### You'll Need:

- T10618 BlockStars!®  
*Classic Accents® Variety Pack*
  - T10619 BlockStars!® Buddies  
*Classic Accents® Variety Pack*
  - T85342 Pixels *Bolder Borders®*
  - T85341 BlockStars!® *Bolder Borders®*
  - T9873 Blue *Terrific Trimmers®*
- Foam core, wooden dowels, chenille stems, crinkle paper shreds, string, colored paper, and tape

#### Directions for Stage:

Add puppet pizzazz to units on friendship, diversity, and more!

- Cut a piece of foam core to size, score, and fold back sides.  
**Hint:** Back the stage with foam core so puppets stand out!
- Attach borders and trimmers as shown. Cover sides with colored paper. Add crinkle paper shreds for the floor.

#### Directions for Puppets:

- **Stick puppet pet:** Tape a wooden dowel between two accents.
- **Marionette:** Attach accent heads and legs together with a chenille stem. Fasten a length of string to each end of a wooden dowel, leaving 8" above and below it. Tape string to accent head.
- Put on an all-star show with puppets you've made and a script you've written and prepare for applause!

#### Make It Your Own:

Shine on stage with blocky legs! Cut a square out of paper and attach it to an accent head. Decorate with a picture of your own face. Attach a pair of legs and let the show begin!
