

# Learning FUN!

## Activity

Fish around and discover schools of beautiful colors!

### School of Colors

**Teacher-Directed Activity**  
*Teams search for objects in their classroom or school that match a primary or secondary color.*

#### You'll Need:

- T10887 Sea Buddies™ School Fish Mini Accents Variety Pack
  - T10999 Sea Buddies™ School Fish Classic Accents® Variety Pack
  - T1791 Black 2" STICK-EZE® Stick-On Letters
- Option:** Use T1789 White 2" STICK-EZE® Stick-On Letters and color letters with permanent markers.
- T9862 Color Basic Terrific Trimmers® (for Box) Markers, tape, card stock, box, ruler, and scissors

#### Directions:

Divide into six teams, giving each team one of the colors on the wheel to match with things in the room.

- Cut a circle 17" in diameter out of card stock for the wheel, use letters for headline, write color names on Classic Accents®, and display as shown.
- Teams select Mini Accents in their color from the box. For example, the Blue Team picks blue accents.
- Let the color hunt begin! Search for objects matching team colors and record each discovery on an accent.

#### Make It Your Own:

Design a color wheel, noting which primary colors combine to make secondary colors.

#### Keep the Theme Going:
