Aligns with Learning Standards

- ★ **Featured Display**  
When it comes to teaching numbers, you can count on our sock monkeys to make it tons of fun.
- ★ **Match Numbers to Names**
  - Display monkey with numbered hats 1-10 as shown.
  - Ask students to match the numbered word from the set to the corresponding numbered hat. (Hook-and-loop tape is used to adhere numbered words.)
- ★ **Fill in the Numbers**
  - Line up numbered hats in a row and in a circle, inviting students to fill in the blanks with the numbers that come next in each sequence.
- ★ **Number Shapes**
  - Ask students to make or draw a character from the shape of their favorite number using construction paper. Some of their drawings will knock your socks off!
