A Spirited Place

Holiday '23

A MOSAIC OF COLOUR; A BLUR OF SILK SAREES DANCING AMONG
THE SUNDRENCHED DOORWAYS OF THE CITY.

THE AIR SWEET WITH THE SMELL OF MARIGOLD AND JASMINE;
GARLANDS SWAYING AROUND ARMS AND NECKS, HOPEFUL WITH
THE PROMISE OF PROSPERITY AND LIFE.

THE CITY OF ARTS AND CULTURE; OF ROYALTY. THE SKYLINE IS A
STENCIL OF ORNAMENTED SILHOUETTES AGAINST THE ARAVALLI
HILLS AND ENDLESS SKY.

A VIBRANT BOUQUET; FLOWERS, FLORAL MOTIFS AND OFFERINGS
SPILL OVER TO EVERY CORNER OF THE CITY.

THIS CITY OF JAIPUR,
A SPIRITED PLACE.

Hannah's connection to jaipur and its people are the essence of our Holiday
'23 Collection - A Spirited Place. An homage to the radiance of the city, created
by the hands of its resident artisans.

Luminous, blazing colours intertwine the traditional motifs of Jaipur hand
wood-block prints, inviting the wearer to feel illuminated, vibrant and
beautifully unique.

Exploring new areas of Indian artisanal craft, pieces are trimmed with soft
tassels and hand beading, a tribute to The Royal City.
