A TRULY SWEET STORY...

“ We don't hire people to bake brownies.
We bake brownies to hire people.

At Greyston Bakery, we create job opportunities for those who have experienced barriers to employment; we hire our bakers through our inclusive Open Hiring® policy. Then we provide them with ongoing training and development to enrich their work experience. We're also a certified B Corporation – which means our efforts significantly benefit our local community. So when you send a gift from Greyston Bakery, you bring smiles and delight to your recipients AND support our social mission of providing meaningful employment to those who want to work. That's a truly sweet story!

... AND A SWEET GIFT TOO.

Our indulgent, scrumptious Greyston Bakery brownie & blondie holiday gifts are handcrafted with love and care using the finest ingredients with no preservatives. We also offer vegan varieties, made without eggs or butter, and all our varieties are kosher. Our mission-driven bakery delivers holiday and year-round gifts – delicious baked goods with personalized messages and festive packaging – that sends just the right message!

With every gift you send – you are truly changing lives for the better.
