

I AM A
WARRIOR

I AM A
DIRECTOR

I AM AN
EXPLORER

I AM A
GUARDIAN

THE FACTION TEST

I AM A
VISIONARY

DISCOVER YOU

I AM A
PROFESSOR

I AM AN
ARTIST

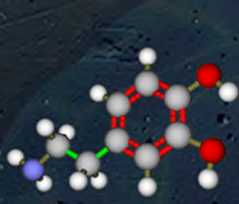

I AM AN
INVENTOR

DISCOVER YOUR GREATNESS

Find out how genes influence your personality.

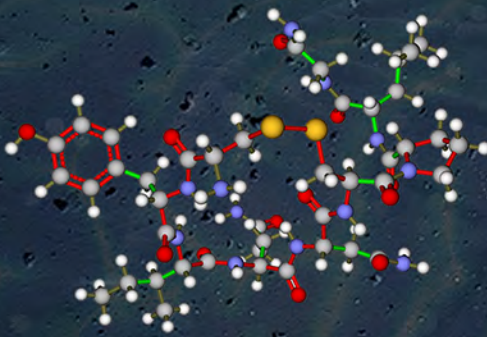

The neurotransmitters, Serotonin, Dopamine and Oxytocin create a framework for your core personality.

DOPAMINE

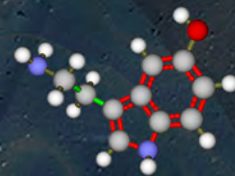

The Pleasure Neurotransmitter

OXYTOCIN

The Empathy Neurotransmitter

SEROTONIN

The Mood Neurotransmitter

The combinations each person has of these genes contribute to our individual inner genetic strengths.
