Mr. Thomas Smith
Managing Director
Mindful Chef
5201 Sheridan Road
Chicago, Illinois 60640

Dear Mr. Smith,

I am writing to express my interest in the Senior Vice President of Sales and Marketing position with Mindful Chef. I had the pleasure of trying out Mindful Chef's recipe boxes during my visit to London last year, and I am impressed by the company's fast growth and commitment to developing strong relationships with its suppliers.

I have a successful track record of driving customer engagement, improving marketing results, and organizing promotional events for new brands. I would leverage these experiences to grow Mindful Chef's marketing and reach during the company's expansion into the US.

In my current role at Ralph Lauren, I am responsible for increasing customer engagement across all channels, with a specific focus on eCommerce. By defining key KPIs for each of our marketing initiatives, my team contributed to significant reductions in our customer acquisition cost. We carefully analyzed all of our marketing spend and were able to decrease our Google Ads CPC by 10% and increase conversion rates by over 200%, for example, by focusing our ad spend on keywords that drove results. Because Mindful Chef is an online retailer, I would be able to implement similar initiatives to increase sales and ensure that marketing spend is justified.

I joined KIND when it was still a small company with under ten employees, and my team's sales and marketing efforts helped it become an instantly recognizable brand at stores like Starbucks and Whole Foods. To get KIND to this stage, I organised over 100 promotional events that helped increase brand awareness. We passed out samples at marathons, outside local gyms, and at festivals such as Lollapalooza. I would similarly combine my expert knowledge of eCommerce, retail, and in-person marketing to grow Mindful Chef's brand recognition in America.

Thank you for your time and consideration, and I look forward to discussing my qualifications with you further. If you have any questions in the meantime, please feel free to contact me by email or by phone.

Sincerely,

Rebecca Collins
