

## Legal

Use of the Works with Apple® badge means that an accessory has been designed to work specifically with the technology identified in the badge and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards.

## Legal

Contains FCC ID:VPYLBIDX

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

### FCC CAUTION

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter

WELCOME TO BRILLIANT

# Quick Start Guide

Let's get started with your new Brilliant Smart Home Control

# Let's get started

## 1. Download App

Before doing anything else, download the Brilliant Smart Home App on iOS or Android.

## 2. Create account

**If you do not have an account:**

Tap "Install a Brilliant"

**If you already have an account:**

Tap Settings > "Install Brilliant Device"

## 3. Installation

Follow the step-by-step instructions in the app to install your Brilliant Smart Home Control.

## What's in the box

- Brilliant Control faceplate
- Brilliant Control baseplate
- Power adapter
- Power cable
- Drywall anchors
- Mounting screws

## Tools you'll need

### Tools

- ✓ Level
- ✓ Pencil
- ✓ Phillips screwdriver
- ✓ Electric drill
- ✓ 1/8" Drill bit
- ✓ 3/4" Drill bit (in-wall installations only)

## Product overview
