

Palmanova

Known for its strength and beauty, the Palmanova is the stunning star-shaped Renaissance fortress behind GV2's newest masterpiece.

With its awe-inspiring octagonal bezel offset by a six-diamond dial, the Palmanova Women's Collection is a crowning achievement available in Stainless Steel, 18-karat Rose or Yellow Gold IP.

Featuring a date window at 6 o'clock and Gevri's signature Swiss Quartz Movement, the confidently elegant Palmanova has a striking presence that serves as a powerful reminder for any star to conquer her day.
