Digital Signage
Collection

NEW STUDENT
CENTER + DINING

**COMING
SOON**

COUNTDOWN

11 : 01 : 33

DAYS HOURS MINUTES

The digital signage kiosk is a tall, black, rectangular unit with a curved top. It features two circular speakers at the top. The main display area shows a vibrant image of a dining area with tables and chairs. Overlaid on this image is a white rectangular box containing the text 'NEW STUDENT CENTER + DINING' and 'COMING SOON' in bold black letters. Below this, the word 'COUNTDOWN' is written in a smaller font, followed by a digital timer showing '11 : 01 : 33'. Underneath the timer, the words 'DAYS', 'HOURS', and 'MINUTES' are aligned with the respective digits. The kiosk is positioned outdoors on a paved area, with a modern building and a staircase visible in the background.

Exceeding your expectations with innovative solutions.

Peerless-AV® continues to be a pioneer and market leader in the digital signage arena. We consistently raise the bar, providing innovative, award-winning solutions for interactive displays, out-of-home advertising, in-store displays, POS solutions, and much more. We have creative, compelling solutions for just about any environment.

Our standard products encompass a wide range of digital signage solutions, from dvLED video wall mounting systems to integrated kiosks. As the industry leader in custom solutions for high volume projects, we offer true innovation and technical expertise, all housed within our state-of-the-art facility, to take projects from concept to successful completion. Our dedicated team ensures we're staying ahead of industry trends, providing you with innovative products backed by the Peerless-AV quality you trust.
