

DS-LEDF

SEAMLESS **KITTED** Flat dvLED Mounting System FOR DIRECT VIEW LED DISPLAYS

The Peerless-AV® SEAMLESS Kitted Series Flat dvLED Mounting System features a space-saving and aesthetically pleasing design that can be adapted to support various dvLED display sizes and brands. This kitted solution is designed and built to your display specifications and scaled to your video wall configuration. The display adapters provide x, y and z axis adjustments to overcome uneven walls and to assure the video wall remains flat. The lightweight aluminium frame quickly attaches to the wall with the easy-hang hardware, while integrated cable management allows for a clean finish. Quickly and easily build the perfect direct view LED video wall for a corporate lobby, retail display window, concert hall, casino and much more with Peerless-AV's Flat dvLED Mounting System.

- Adaptable to various dvLED brand and display sizes
- Aesthetically pleasing installation based on a space-saving design
- Integrated cable management allows for a clean finish

KITTED SOLUTION
Designed and built to your video wall specifications

LIGHTWEIGHT DESIGN
Aluminium wall frame is easier to install and minimises the wall load

ADAPTORS ADJUST ON THE X, Y AND Z AXIS
Allows the installer to overcome uneven walls while simplifying the display and adaptor alignment

Slim Flat dvLED Mounting System (DS-LEDFS) also available

Pop-Out dvLED Mounting System (DS-LEDP) also available
