SEAMLESS **KITTED** Pop-Out dvLED Mounting System

FOR DIRECT VIEW LED DISPLAYS

The Peerless-AV® SEAMLESS Kitted Series Pop-Out dvLED Mounting System features a quick and easy pop-out mechanism that can be adapted to support various dvLED brand and display sizes. The pop-out mechanism extends the mount out from the wall, providing ample space for ease-of-use and maintenance of dvLED displays. Its universal design can be easily configured to support most dvLED brands and sizes by simply changing out display-specific adaptor plates. The mounting system's easy hang wall plate enables a fast, trouble-free installation, and handles on either side of the mount provide easy mount articulation without the risk of damage to the dvLED display. In addition, integrated cable management allows for a clean finish.

- Clean and aesthetically pleasing installation based on a slim, space-saving design
- Integrated micro-adjustments allow the entire video wall to be plumb adjusted once all the dvLED displays are installed
- Integrated cable management allows for a clean finish

EASY HANG WALL PLATE
Enables a fast, trouble-free installation

CONVENIENT SERVICE ACCESS
Pop-out mechanism extends the mount 30 inches from the wall, providing ample space for a technician to service and maintain the dvLED displays
