Portrait Back-to-Back Kiosk

Fits most 65" displays less than 1.81" (46mm) deep

Make a statement with Peerless-AV's versatile digital signage kiosk. Designed to support two ultra-thin or thicker commercial displays, this kiosk accentuates the sleek look of the flat panel displays, while providing ample space to integrate a media player, interactive touch system, camera, etc., to create a complete interactive kiosk experience. Paired with a wide range of aesthetic options, this modular line of kiosks makes it easy to execute any advertising or branding strategy.

- Designed with British steel, that provides stability, strength and corrosion-resistance for any indoor environment
- Accommodates ultra-thin or deeper commercial displays up to 1.81" (46mm) thick, while accentuating the slim, curvature kiosk design
- Two thermostat controlled fans quietly exhaust heat from inside the kiosk, ensuring proper airflow
- Internal micro-adjustments allow for quick positioning of display within the kiosk window for flush alignment
- Secured doors allow convenient access to the display, media player and other internal components for easy installation and maintenance
- Supports a wide range of aesthetic options including multiple colours, vinyl wraps, etc. to best match the environment or promote brand strategy
- Pre-assembled to simplify installation of entire solution
- High-performance, premium powder coat finish protects the unit and extends the product lifespan

Note: Kiosk enclosure does not include cover glass
