

## Peerless-AV® Showcase Returns to Lord's with New May Dates

*Increased exhibitor line up, networking events, training and Tech Talks – all this and much more at the home of cricket with Peerless-AV and Partners*

**St Albans, UK, 2 March 2023** – AV technology pioneer Peerless-AV® today announced the dates for this year's AV Showcase at Lord's Cricket Ground. Back with earlier dates in the AV calendar - 16<sup>th</sup> and 17<sup>th</sup> May 2023 - the showcase is well positioned to offer exhibiting vendors the opportunity to present all the latest innovations to a wide audience of UK resellers, integrators, consultants and end users. “Now in its third year, we’re pleased to announce our return to Lord’s and new May dates,” said Keith Dutch, Managing Director – EMEA, Peerless-AV. “Our event attracts professionals and decision-makers not only from the UK AV community but all across Europe; recognising the value of Peerless-AV’s strong partner relations and industry connections and ability to bring all the leading players from the audio, workplace technology, wireless, UC/VC, digital signage, interactive touch and signal management markets together, under one roof. This year we have over 30 leading brands, returning and new, to the exhibition floor and we will have some new features to reveal soon over the two-day schedule.”

New for 2023 will be Tech Talks and Workshops; educational and informative technical sessions in which multiple vendors will team up to present full solutions with forward-looking market insights, product competencies and real-life examples of successful installations. In addition, Peerless-AV's 'mix and mingle' evening drinks reception will return on Tuesday 16<sup>th</sup>.

The AV User Group will host its strictly members only daytime meeting on Wednesday 17<sup>th</sup> May in the grounds. Owen Ellis, Chairman of AV User Group, commented, "Although this meeting is a closed event for end user members and sponsors, the Peerless-AV Showcase is an ideal central London venue for us and, alongside the afternoon of presentations, our attendees will have the opportunity to walk the show floor to see the latest AV technology innovations."

Registration is now open! Visit The AV Showcase [event page](#) to view 2023 exhibiting brands as they are announced, along with testimonials and videos from previous years.
