

Registration Now open for the AV Showcase at Lord's 2024

*Back in play for a fourth year, over two days, with 40+ exhibitors, show floor keynotes,
Love2Learn cricket and evening networking*

St Albans, UK, 21 February 2024 – AV technology pioneer Peerless-AV® today announced that the AV Showcase is back in play for a fourth consecutive year at Lord's Cricket Ground, London, on 14th and 15th May. Watch the video announcement [here](#). The AV Showcase will house over 40 of the industry's leading AV and Digital Signage brands, all coming together to demonstrate the latest technology innovations and product launches that are reshaping the way we communicate, view, stream, work, present, interact, navigate, and more, both now and into the future. [Register here](#) for this free to attend event.

“After a record breaking and successful ISE 2024, tradeshows are back. Now our attentions turn to putting the 2024 AV Showcase on everyone's radar,” said Keith Dutch, Managing Director - EMEA, Peerless-AV. “Since we first launched the event in 2020, the Showcase has really become a firm fixture in the AV and Digital Signage events calendar. There's no other event of this scope

and speciality in London at this time of year. It's regarded by our exhibiting partners as a mid-year platform to demonstrate first-time showings and product launches to a UK and European audience and generate new business. For end users, resellers, integrators and consultants, the event offers the opportunity to meet all the major vendors under one roof, have conversations, and make connections."

This year, there are planned keynote speakers from AVIXA and Microsoft. There will be a new for 2024 Love2Learn cricket session, and exhibitors and visitors will be invited to attend a sunset mix & mingle networking reception on the Tuesday evening.

Each year, the AV Showcase attracts a wider audience and visitor attendance. Be part of the action this May! Registration for the AV Showcase 2024 is [now open](#). Visit the 2024 [event page](#) for videos and exhibiting brands, and follow us on [Twitter](#), and [LinkedIn](#) for up-to-date event information.
