

Peerless-AV® Showcase Returns to Lord's in September 2022

Welcoming back a New AV Experience two-day showcase and networking event with increased floor space to accommodate exhibitor demand

Watford, UK, 25 April 2022 – AV technology pioneer Peerless-AV® is excited to announce the return of A New AV Experience Showcase and Networking Event on Tuesday 20th and Wednesday 21st September 2022 at the iconic sporting venue of Lord's Cricket Ground, London.

“After our hugely successful inaugural event at Lord's last year, we are pleased to announce it will return this September,” said Keith Dutch, Managing Director – EMEA, Peerless-AV. “We have expanded the showcase floor space to accommodate returning exhibitors from last year as well as host of new and exciting brands. We anticipate our event in 2022 to be bigger and better, delivering an even more engaging and worthwhile experience for visitors.”

Over 25 AV and Digital Signage brands will be exhibiting at the 2022 showcase so visitors can expect to see a host of innovative and exclusive products, first time showings and technology demonstrations. Those already signed up include Absen, BrightSign, CTOUCH, Datapath, DTEN, iiyama, Jabra, Kramer, Lenovo, LG, Lightware, Logitech, Matrox, Mersive, neat, Peerless-AV, Philips, Samsung, Sharp NEC, Shure, Signagelive, Sony, Tripleplay and Unilumin.

Face to face networking was rated most important to partners at the 2021 event. In 2022, once again there will be a full schedule of adjoining events, including Peerless-AV's evening reception in the grounds on the Tuesday evening and the AV User Group's September members meeting and networking drinks on the Wednesday.

Keith continued, "We are still emerging from a pandemic and this is having a knock on effect on the live events industry, as we have seen from the postponement of ISE from February to May. Our September position in the calendar has proved to be both timely and popular with all the leading manufacturers and suppliers as an opportunity to meet and present to a mixed Consultant, End User and Reseller audience, face-to-face, in the second half of the year, locally and under one roof."

Contact Peerless-AV today for more information on the event or to reserve your space at this unique showcase of what's new and exciting in the world of AV and Digital Signage. Registration and further information to follow.
