CONSIGNMENT CONTRACT

CP is focused on selling your items at their market value, as quickly as possible.

CP Consignors are paid 50% of the net selling price received by Cherished Possessions. All prices are based on supply and demand in order to ensure a quick sale during a Primary Term of 90 days from the ticket date. Certain items may not sell due to variety of reasons. Unsold consignments "expire" after 95 days from ticket date. Consignor should schedule a pickup date for expired items in advance and properly prepare to pick up items with boxes and wrap if required. All expired items left at CP become the property of CP and will be disposed of after the 95th day. Consignments may be extended for \$25.00 at the option of CP.

Consigned item prices are reduced by a standard monthly rate not to exceed 25% per month off of the Starting Price. CP management reserves the right to negotiate the best deal possible for the consignor in its sole discretion, but not to exceed 50% of the Starting Price.

All checks are written by the 15th of the month following the sale of the item. Please call by the 10th of the month to have checks over \$50 mailed upon request. It is the obligation of the consignor to notify CP of any change of address. Unclaimed checks to Consignors will be assessed a handling fee of \$5.00 per month after 90 days.

All large items must be pre-approved by photos sent to info@cpconsign.com. All items are subject to final inspection by CP representatives. CP requires all items to be functional and in merchantable condition. **CP does not accept broken, chipped or cracked items of any kind, or items with any odors, stains, tears, or scratches. CP does not accept items from the homes of smokers. A \$25.00 fee may be charged for items that require cleaning or polishing, or that may have to be disposed of. All lamps must be in working condition. CP will charge to replace bulbs that do not work.**

CP management only consigns high quality merchandise. CP reserves the right to refuse or return any item and to refuse service or Membership to individual consignors for not disclosing defects or repairs, forgery, or misrepresentation about consigned items. CP may charge buyer fees, and may image and market consigned items through its website and over social media as it sees fit. Consignor terms and conditions available to CP "Membership" accounts may vary.

Thank you for consigning with us. Please email your questions to info@cpconsign.com or call Cherished Possessions at (207) 799 3990.
