PHILIPS

Highlights

Recall your favourite scenes

You can pre-set your 4 favourite Philips Hue light settings in Philips Hue Tap switch. Select a scene you have created yourself, one of the scenes that Philips has created for you or programme a button to switch all lights off. It's all up to you

Place it anywhere

Philips Hue Tap switch can be used as a normal wall switch. You can place it anywhere you want, using screws or the adhesive tape on the back plate of the switch

Use as a remote control

You can also use Philips Hue Tap switch as a remote control for your comfort

Powered by touch - no battery

Philips Hue Tap uses kinetic energy and is powered by your touch. So no batteries needed

Requires a Philips Hue bridge

This product requires a connection to the Philips Hue bridge
