# *The* **LUCKY SAINT**

REBORN 2023

*58 Devonshire Street, Marylebone, W1W 5EA, London*

At Lucky Saint, we believe the greatest reward of drinking is the social connection, not the alcohol. Whether you're drinking or not, we believe you should be able to enjoy a proper pint with friends in the pub.

So in 2022, we embarked on a mission to find a home for Lucky Saint - a place people could enjoy perfectly poured pints of our golden lager, as well as a home for our team.

After a long search, we found this historic Victorian pub which had been left derelict for three years, and restored it to its former glory.

A place for people to congregate, whether they're drinking or not. A pub for our times, in the heart of Marylebone.
