

To find your size, print this document on one **A4 page at actual size (scale 100%)**.

To check that it has printed correctly, use a ruler to measure the line under the text to ensure that they match.

Rings

To find the right size, place a ring on this page that fits the finger on which you will wear the Nerea Aixàs ring and look for the correct reference. You should be able to see the black line inside your ring but not the white of the page.

e.g. (the orange line represents the real test ring):

4 14,9mm 0.59in	5 15,7mm 0.62in	6 16,5mm 0.65in	7 17,3mm 0.68in
8 18,1mm 0.71in	9 18,9mm 0.75in	10 19,8mm 0.78in	11 20,6mm 0.81in
12 21,4mm 0.84in	13 22,2mm 0.87in	14 23,0mm 0.91in	15 23,8mm 0.94in

Bracelets

Cut out the strip to the right of this text and wrap it around your wrist. Find the point marked by the arrow where it overlaps - this is the size you need (remember to check that the page is printed at the correct size).
