LOVED BY THE EARTH
and all taste buds

good natured[®] plant-based food packaging has more going on than just planet-saving super powers. From closures that easily seal and re-seal, to nips and tucks to take out wasted space, to smooth lids and tiered trays that amp up visibility, we go beyond earth-friendly to make sure you'll always feel good and look good.

GOODTOGO™ MICROWAVABLE

Say buh-bye to mushy paper trays! Our 16, 24 and 32 oz. GoodToGo™ Microwavable food containers are compostable, super durable and designed to take the heat, all while reducing your reliance on fossil fuels! Made from 97% plant-based materials and no chemicals of concern, your customer's can heat up their grub without worrying about nasty stuff leaching into it. Sporting a leak-resistant perimeter seal, super stackable tabs and crush-resistant strength, these bad boys will keep things sealed up and steamy even during the bumpiest of rides. Available in three hot colors, we've got you covered with two great lid options: a heat-resistant lid for hot takeout meals or for re-heating, and an anti-fog crystal clear lid perfect for product visibility of your deli shelf masterpieces.

baked goods

From mega cupcakes to the tiniest of bite-sized treats, we've got you covered. Made with plant-based materials and no BPAs, phthalates or other nasty stuff, *good natured*[®] bakery packaging is more than just drop-kick durable. From snappy sealability to easy stackability, we'll have you right-sizing your way to eco-friendly nirvana in no time. If only we could say the same about our waistlines!

COOKIES, BROWNIES & BARS

These treats come in all shapes and sizes, so our packaging does too. Give each indulgent slice its own safe little boost with our tiered options or showcase the bars or brownies whole. Either way, the handy re-sealable snaps mean you don't have to eat them all at once. Just saying...
