Kevlar: 42lbs. Ultralight: 40lbs. K/D w/gelcoat: 48 lbs.
(shown model)

The solo 14', designed by James van Nostrand, is one of a series of traditional-type Prospector canoes available from CLIPPER. All three Clipper Prospector models share the same characteristics of classic design, grace on the water, and maneuverability. This model is designed to be paddled from a kneeling position.

Std. Features: Wood web seat, flotation tanks, bow & stern thwarts.

Options: Gunnel covers, *black trim package*, wood trim package, removable yoke, wilderness lash system, foam thigh pads.
