THE CLIPPER SOLITUDE

SPECS:

Length: 15'6" Beam: 28" (30" @ 4" water line)
Bow Height: 16" Stern Height: 14" Center Height: 13"

WEIGHT:

Fiberglass: 52 lbs. Ultralight: 42 lbs.
(shown model)

The Solitude provides versatility for a wide range of solo paddlers. As with all Jensen designed canoes, it is fast and tracks well. It is harder to turn than the Packer, but responds well when leaned.

The seat is adjustable fore and aft, allowing for adjustments to the canoe's trim. The paddler is also able to adjust the height of the seat. The Solitude will keep up with most tandem canoes and is well suited for wilderness tripping.

Std. Features: Adjustable bucket seat, footbrace, flotation tanks, bow & stern thwarts.

Options: Gunnel covers, **black trim package**, wood trim package, removable yoke, wilderness lash system, foam thigh pads.
