Diagram for planning a quilt with a repeating pattern of interlocking circles. The diagram is a grid of 10 columns and 10 rows. The pattern consists of circles arranged in a grid, with each circle overlapping its four neighbors. The grid is divided into sections by thicker lines, representing different quilt sizes. The labels for these sections are:

- Wall Hanging (left side, 10 rows)
- Baby (bottom left, 2 columns)
- Large Throw (bottom middle, 4 columns)
- Twin (bottom right, 2 columns)
- Queen (bottom far right, 2 columns)
- King (bottom far right, 2 columns)

The label "Square Throw" is written vertically on the left side of the grid, spanning the first 5 rows.
