

Part no. ANT-LTE-01-05

(I) Product Overview

Frequency (MHz) : 698-960/1710-2170/2500-2700

VSWR \leq 2.0

Average Gain (dBi) : 1.5

Max Input power (W) : 50

Input Impedance (Ω) : 50

Polarization : Vertical

Antenna Length (mm) : 82mm straight, and 64mm at 90 degree

Connector : SMA Rotation male

Storage Temperature : -30°C to+85°C

Operating Temperature : -30°C to+85°C

(III) Characteristic curve (from Elecom, real testing)

Testing at Straight position

Testing at 90 degree position.
