

Double Row Lockers

PARTS

BEFORE YOU START

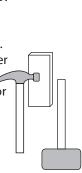

REQUIRED: A phillips head screwdriver. A drill with a phillips head driver can also be used, but is not required.

REQUIRED:
Wood glue is
used to
permanently
attach the door
pegs. Using
other glue types
may affect
curing and
workability time.

RECOMMENDED:

A rubber mallet can help push pieces together.
Or use a hammer with a scrap piece of wood or a cutting board placed over the surface for protection.

TAB ORIENTATION

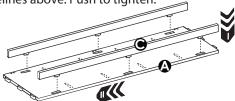

When inserting tabs into slots make sure the side with the wider lip on the tab faces the same direction as the notch in the slot.

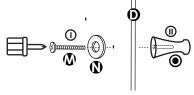

PREPARE PARTS

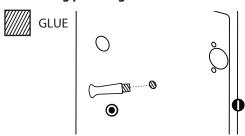

Install Toes by placing tabs into slots on Bottom as shown below. Ensure to orient parts according to guidelines above. Push to tighten.

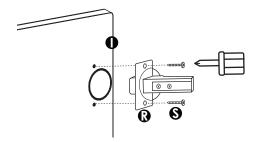

Install Pegs **(a)** on Back **(b)** by inserting Long Screw **(b)** through holes with Washer **(b)**, then thread on Peg.

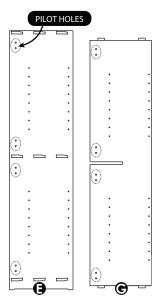

Install Pegs ① on Doors ① and ① by applying a dot of glue to bottom of the slot and a thin layer to end of the Peg. Insert Peg into slot on each door. Wipe off excess glue with a damp cloth. Ensure to apply glue just before connecting parts together.

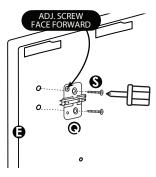

Install Hinges (a) into slots on all Doors ((1) & (1) by screwing (2) Short Screws (3) into pilot holes on Door, as shown below.

Install Hinge Clips by screwing (2) Short Screws into pilot holes indicated on Left Side and Vertical Dividers . Make sure that the Adjustment Screw is facing forward, as shown.

ASSEMBLY INSTRUCTIONS

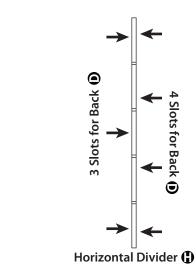

2 Adults Required for Assembly

TOP VIEW

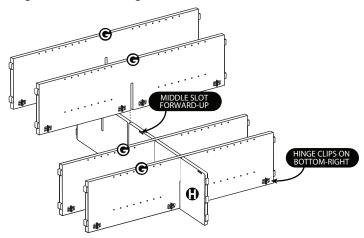

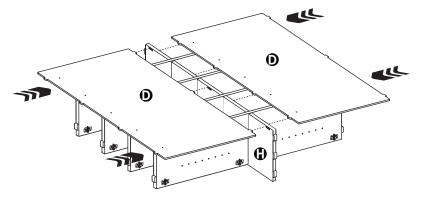

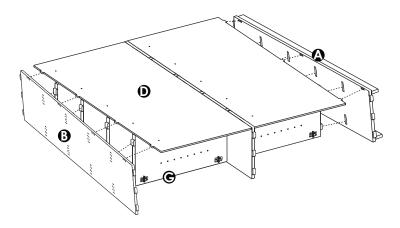

With the help of another adult, insert Vertical Dividers through slots on Horizontal Divider 1. Vertical Dividers should be oriented with the hinge clips down, facing Right Side 2 according to .

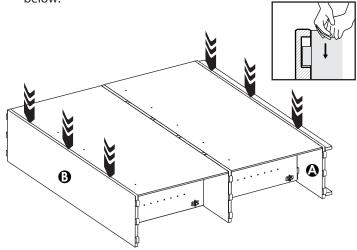

2 Insert tabs for Backs **()** into corresponding slots on Horizontal Divider **()**.

Align tabs for Vertical Dividers **(C)** and Back **(D)** with the slots on Top **(G)** and Bottom **(A)**. Then, pop tabs for Back and Dividers into slots from one side to the other, as shown.

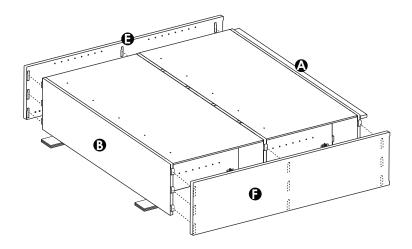

Tighten Top **3** and Bottom **4** into place by pushing down on the ends and middle of each part, as shown below.
