## **PARTS**

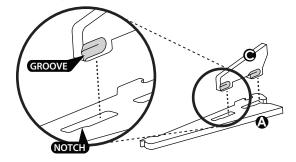

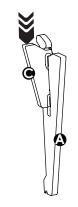

9x20 Net

## **ASSEMBLY INSTRUCTIONS**

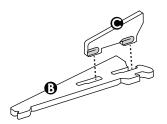

Put tabs on Brace into slots on Left Bracket . Tabs must be oriented with groove towards the notch, as shown.

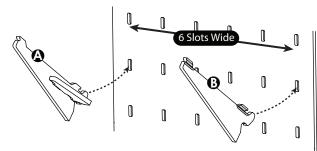

Tighten slightly by pushing down on the large end of the Brace **(G)**. Will finish tightening in Step 4.

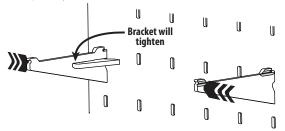

Repeat Steps 1 & 2 with the other Brace and the Right Bracket 3.

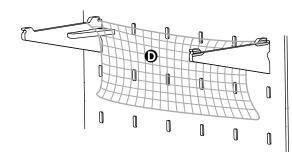

Insert the (2) Brackets into the Slotboard with the Braces facing inward.

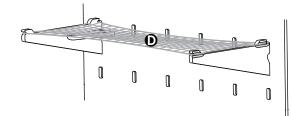

Press the bracket tips inward to tighten braces completely.

Put corners of Net **①** over back tabs of Brackets.

Pull other corners of Net **①** over front tabs of Brackets, then straighten Brackets as needed.

MakerWall Storage Hammock

- ▲ Adult assembly only
- Assemble completely before use
