Tables

sprout-kids.com/tables

We know how important it is for your students to have appropriately-sized furniture for their developmental needs. For this reason, Sprout has developed a full line of work tables.

Our tables allow for individual, pair, or group work, allowing space for various types of work.

Materials

Commercial tabletops are available in the following materials:

Wood Grain Laminate
(Tabletops)

White Laminate
(Tabletops)

Finished Birch
(Legs & Brackets)

These materials are made to last, making them a great option for educational environments.

Wood Grain Laminate tabletops have a dark brown bottom (not seen).

Chowkis

sprout-kids.com/chowki

A Chowki is a stackable, child-sized floor desk and can be used to help your students work while sitting on the floor. Since you can stack them when not in use, Chowkis can be a great option for those with limited space.

Chowki	Ages	Height	Width	Depth
Small	2-5	9"	19.5"	14.5"
Large	5+	13"	24"	18"

Available in two sizes small (9") and large (13"). The Chowki can meet the needs of a wide range of children.

We thank our friend Dr. Michael Dorer who has been involved in Montessori education for over 45 years. His guidance and insight were essential in making these Chowkis a reality.

Stacking Chairs are designed to withstand heavy use in the classroom, while also being lightweight so students can move them with ease.

Classroom Stools provide ease for coming in and out of creative or active tasks. Adults also love using them while working with students.

Classroom Benches are great for seating multiple children. They can be a wonderful option to assist with transitions to and from the classroom.

Wooden Kids Chairs are sturdy, durable, and are made to last for years. They are lightweight for children to move them independently as needed.

Adjustable Weaning Chairs can be configured to three different heights to meet the developmental needs of the child, making them usable for years.

Flip Chairs are multi-purpose and can be used in three different orientations - as an infant chair, a toddler chair, and a stool.

A Place For Everything

sprout-kids.com/shelving

When a space is thoughtfully prepared, materials and resources can be more accessible for students and educators alike. Materials can be stored in a variety of ways depending on the needs of the learning environment.

Wovewood

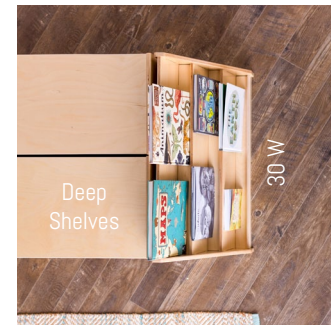

Lightweight and extremely durable, Wovewoods make for great classroom storage. They come in an array of shapes and sizes so you can find the ones that fit your needs and space just right.

Book Display Shelf

sprout-kids.com/classroomstorage

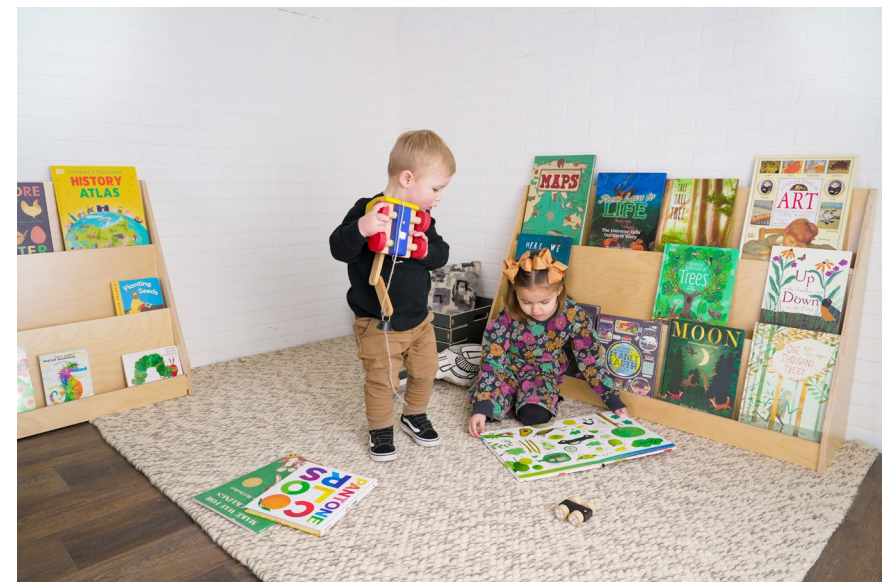

One way to encourage a love of reading is by displaying books in an attractive, appealing way. When the covers are easily visible, they can draw in learners of all ages.

End Caps

Back-to-back deep shelves can use a 30" wide shelf or a Book Display Shelf as an end cap.

The Book Display Shelf is available in two sizes to display the right amount of books for your space. (Small, 30", seen above and Large, 45", seen below)

Wood

Our furniture is made from durable materials like Baltic Birch Plywood and solid wood. No particle board, MDF, or foils are used which allows us to offer a 10-year warranty (see page 26).

Birch Birch Plywood: Sourced from the Northeastern region of Europe, our Baltic Birch plywood has exceptional strength, stability, and beauty. This low-splinter wood is TSCA Title VI Compliant.

Solid Wood: Many of our products incorporate solid wood components like Maple, Birch, or Oak. Whenever possible, these woods are sourced from forests in the US and Canada.

Finishes

Our products come in various finishes for resources that are durable and cohesive in your space.

-  Finished Birch: Warm, natural wood with a clear No-VtOC UV cured resin finish
-  Raw Birch: Warm, natural, unfinished wood surface
-  Wood Grain Laminate: Imitates natural wood but has superior wear resistance - ideal when water may be present
-  White Melamine: A clean, bright finish on natural wood - resists water and is more durable than paint, though not as durable as laminate
-  White Laminate: A high-contrast surface with superior durability, cleanability, and wear resistance - ideal when water may be present
-  Two-tone: A clean, bright, painted finish that contrasts natural birch

Our Commitment

sprout-kids.com/warranty

We believe furniture should be safe for you, your family, and the earth. Made to last, all Sprout products come with a warranty that covers structural defects, safety, and functionality.

Commercial Grade 10-Year Limited Warranty

We warranty the craftsmanship and materials of our commercial-grade products for 10 years from the initial date of purchase through Sprout. This warranty covers wear damage due to normal, intended use. If damage occurs due to normal use or defects in the parts, we will replace part or all of the product or provide a refund, at our discretion.

Home Grade 5-Year Limited Warranty

Applies to products with this icon: 

We warranty the craftsmanship and materials of our Home Grade products for 5 years from the initial date of purchase through Sprout. We guarantee the functionality and safety of our products.

Home Grade products purchased for commercial environments are not eligible for a Commercial Grade Warranty and will not be replaced for normal wear. If damage affecting the functionality or safety of our product occurs during normal use, we will provide parts, a new unit, or refund at our discretion.

Limited Warranty

Our warranty extends only to the original purchasers or verified original recipients (if gifted) of the product. Our products are designed for indoor use. Outdoor use voids the warranty.

Visit sprout-kids.com/warranty for more information on what is covered in our warranty.

The Sprout Team

Here at Sprout, we have every department under one roof! What does this mean for you? This means that anyone in design, marketing, development, customer experience, production, or engineering can communicate about your order, a need, or a problem, as soon as possible.

Placing your order

Delivery & Assembly

Due to the size of our commercial products and most orders, school shipments are usually palletized. We'll work with you to ensure your order arrives by your required delivery date.

Most of our products don't require any tools to assemble, making assembly even easier. If at any time you need help during the assembly process, our customer experience team is ready and willing to guide you through the assembly process.

Helping you create spaces that foster **creativity**, independence & resilience.

"Sprout items are so beautiful and functional, they think of everything. The Washing Station is our one-stop cleaning station in our classroom and looks so aesthetically beautiful!"

Annie
Dancing Moose in Utah

"Great communication from start to finish. All of the furniture was super easy to assemble and beautiful in the classroom."

Chelsea
Sukha Montessori

"As a new and growing school, we get so many comments from parents on how beautiful our Sprout furniture is."

Gaurapriya
Catskill Montessori

"I love that Sprout's always trying to augment what they've already done. They're always asking teachers what we need. I really appreciate being valued like that."
