## TASTING NOTES

**SHONA MACLEOD**  
CARRAGREICH  
ISLE OF HARRIS

*"There are so many complex layers of flavour, and it will be different for everyone. But, I get a gentle peat smoke on the first sip which reminds me of island home fires burning when I was growing up. It comes along with a toasted maltiness. I can also taste homemade apple sauce and smell machair flowers, particularly white clover which springs up on our west coast every summer. Mixed spices appear, and an old-fashioned sweetness from things like candied ginger, vanilla, and honeycomb. Finally, there's a long, clotted-cream note, mixed with a lasting sense of new leather."*

## STORY

**MIKE DONALD**  
CHIEF  
STORYTELLER

*"May 25th 2023 brought us a rather special morning. The team gathered together at 9am to witness the very first seven bottles of The Hearach single malt whisky being filled. The honour went to seven of our founding staff who have been part of the project since the very beginning - Peter Kwasniewski, Sandra Fraser, Donnie Macleod, Shona Macleod, Billy Fraser, Angus MacSween, and Domhnall Macleod. The spirit flowed as the sun shone, and in typical Harris style there was much love and laughter in the room to mark the occasion. It was a wonderful moment, and one we'll all remember."*
