Shoe Factory Trainee

Company Profile

Established in 1881, NPS Shoes is one of the oldest shoe manufacturers in the UK. Manufacturing Northamptonshire's unique and globally sort after Goodyear welted construction footwear for both the domestic and export markets, the company now exports to 5 continents and over 90 countries. We are looking to recruit a trainee to help our business manage the existing and future growth in demand of our footwear sales.

Duties and Responsibilities

The person we employ will be a motivated and driven individual who can work well as a team member but also have the initiative to work alone when requested. As a trainee you will initially be located in our Lasting/ Making room area learning the processes involved in the production of our footwear.

What we need from you:

A good eye for detail.

Good Team player with good communication skills

Willingness to learn new skills.

We are looking for people who are flexible, reliable, and conscientious with an eye for detail.

Hours Monday to Thursday 7:30am – 4:30pm with 30 mins lunch. Fridays 7:30am to 12:30pm.

Please submit a CV including telephone number and email address to hr@nps-shoes.com
