Boat Soap

Part	Size	Case Size
SEA-BS1	16 OZ	12
SEA-BS16	1 Gallon	4

BENEFITS

- * Extremely concentrated
- * Safely cleans all surfaces
- * Won't remove wax
- * Easy rinse formula

DESCRIPTION

Sea-Shield® Boat Soap creates volumes of suds, yet rinses away in seconds without leaving a film.

This amazing boat wash is so gentle it won't remove even the most delicate waxes, and it instantly improve the high gloss shine of Sea-Shield® Nano Coating.

Sea-Shield® Boat Soap is hyper-concentrated. One Gallon is enough product to produce up to 400 gallons of wash solution with suds that won't quit until the wash is complete.

DIRECTIONS

Pour a cap full of boat soap into a 5-gallon bucket and fill with 3-4 gallons of water. When solution becomes dirty, repeat process. For exhaust build-up or heavier cleaning, add 4 oz. of Sea-Shield® MPC Multi Purpose Cleaner.

Working in one small area at a time, apply soap, rinse thoroughly and dry surface with a chamois to minimize spotting.

RECOMEND SURFACE

- Paint
- Glass
- Plastic
