Rust Stain REMOVER[™]

Part	Size	Case Size
SEA-RSR16	16 OZ	12
SEA-RSR1	1 Gallon	4

BENEFITS

- * Removes rust and corrosion stains
- * No hard rubbing or scrubbing required
- * Spray-Gel formula reduces runs

DESCRIPTION

Sea-Shield® Rust Stain Remover quickly and easily eliminates stains on fiberglass and paint. It is a concentrated spray gel solution manufactured from ingredients chosen for their biodegradability and their compatibility with the environment. Specially formulated to remove the stains around stainless steel fittings, waterlines, and exhaust areas. Sea-Shield® Rust Stain Remover quickly and easily eliminates stains on fiberglass and paint. It is a concentrated spray gel solution manufactured from ingredients chosen for their biodegradability and their compatibility with the environment. Specially formulated to remove the stains around stainless steel fittings, waterlines, and exhaust areas.

DIRECTIONS

Extremely easy-to-use spray gel formula means no scrubbing or rubbing. Just spray onto surface and for 1-5 minutes depending on severity then rinse off with water. Especially bad areas of stains may need additional applications.

RECOMEND SURFACE

- Paint
- Gelcoat

Clean
