

Father's Day Special

For the First Hero of your Life

HAPPY FATHER'S DAY!!

A son's first hero, a daughter's first love! A man who was neither an anchor to hold you back nor a sailor to take you there, but his love was always there as a guiding light to show you the way.

Yes, it is time to thank the man who is the reason for you being who you are. It is the time to bow your head in front of the man who had the first influence in your life, your Dad.

Very rightly said, *"It is not flesh and blood, but the heart which makes us father and son"*. Ironically, speaking your heart out in front of your father is something that most of us has still not done.

Talking to your dad is as difficult as it is easy to talk to your mother. Father's day is the perfect day to recognize the contribution that fathers and father figures make to our lives. If you are looking for a reason to thank your dad for all he did for you, then, the event is just around the corner.

Father's Day will be celebrated worldwide on 18th of June, this year.

Father's Day - The story

Even though every day should be dedicated to the parents who are the reason for your existence, still the father's day is a celebration honoring fatherhood and the influence fathers have on the society.

Inaugurated in the early 20s in the United States, Father's Day is one way to appreciate the impactful and significant role that a man has in his child's life. This day was originally founded in Spokane, Washington in 1910 by Sonora Smart Dodd. Her father was a Civil War veteran and a single parent who raised his six children. Sonora suggested that fathers should have a similar holiday as mothers have. Ever since then, the third Sunday of June is celebrated as Father's Day.

Deciding on what to get your father for this special day? Well, this Father's Day edition of Mensuas Magazine will throw some light on how to revamp your dad's wardrobe. Every man has a unique personality. Hence, here's a compilation of the entire ensemble that would match the taste bud and personality of your dad.

There is room in the heart for all the affections, as there is room in heaven for all the stars.
