

# DATREX / VSG USCG/SOLAS – TYPE I

## VSCG2050AJ

MK10

**TYPE** USCG TYPE I SOLAS

### USES

The VSG Mk10 Lifejackets are designed and approved for the US flagged vessels that intent to travel within U.S. and international waters.

- Exceptionally comfortable and will turn an unconscious person to a face-up position
- High freeboard for improved survivability in rough seas
- Comfortable, compact and designed for efficient storage
- High visibility; bright orange fabric fitted with SOLAS retro-reflective tape
- Fitted with lifting loop, buddy line and whistle
- Attachment for lifejacket light (light not included)
- Transparent pocket for muster information
